PROFESSIONAL SUMMARY

Dedicated and research-oriented Assistant Professor with experience in Computer Science and Information Technology domains, specializing in Cyber Security, Cryptography, Artificial Intelligence, Machine Learning, and Social Media Analytics. Experienced in teaching undergraduate engineering subjects, publishing research papers in reputed journals and conferences, guiding academic projects, and contributing to patent publications. Currently pursuing Ph.D. with strong interest in research, innovation, and academic excellence.

WORK EXPERIENCE

Assistant Professor – Department of Computer Science & Engineering

KCC Institute, Greater Noida

Oct 2024 – Present

- Teaching Computer Science and Cyber Security related subjects.
- Guiding undergraduate projects and research activities.
- Contributing to departmental academic development.

Assistant Professor – Department of Computer Science

NIET, Greater Noida

Feb 2024 – Oct 2024

- Conducted lectures and practical sessions for engineering students.
- Assisted in curriculum planning and academic coordination.

Assistant Professor – Department of Information Technology

Shri Ram Murti Smarak College of Engineering & Technology, Bareilly

July 2017 – Feb 2024

- Taught core IT and Computer Science subjects.
- Mentored student academic projects.
- Participated in academic administration and institutional activities.

ACADEMIC RESPONSIBILITIES

- Departmental Spoken Tutorial (IIT Bombay) Coordinator
- In-Charge of Department Library
- In-Charge of Department E-Newsletter
- Core Member of Proctorial Board at SRMS CET, Bareilly

EDUCATIONAL QUALIFICATION

Year	Degree	Percentage/CGPA	Institute
2021	Ph.D. (Pursuing)	71.80% Coursework	Invertis University, Bareilly
2017	M.Tech (Software Engineering)	74.25%	SRMS College of Engineering & Technology, Bareilly
2014	B.Tech (Information Technology)	68.84%	MIT Moradabad
2010	12th	61.80%	BAK Inter College, Moradabad
2008	10th	55.10%	BAK Inter College, Moradabad

BOOK PUBLICATION

Cyber Security and Social Media Analytics

Publisher: Kavya Publication

RESEARCH PUBLICATIONS

1. Analysis of Software Development Process Models in Software Engineering – National Conference Proceedings, SSVIT Bareilly (2016)
 2. Application of Video Watermarking Based on Visual Cryptography, Scene Change Detection and DWT – NATCOM Conference (2017)
 3. An Approach for Enhancing the Security of Playfair Cipher – IJIR Journal (2017)
 4. A Novel Technique for Enhancement of the Security of Playfair Cipher – IJCERT (2020)
 5. Enhancement the Security of Playfair Cipher Using Vigenere Cipher and Rail Fence Technique – ICCT Conference (2021)
 6. Developing Classifiers through Machine Learning Algorithms for Student Placement Prediction Based on Academic Performance – Applied Artificial Intelligence Journal, Taylor & Francis (2021)
 7. Importance of Digital and Social Media Marketing – International Conference EICBI (2022)
 8. A Review on Machine Learning Classification Techniques – ICCT Conference (2022)
 9. Driver Drowsiness Detection and Object Detection System to Prevent Road Accidents – IJRISAT Journal
 10. Machine Learning Classification Models for Student Placement Prediction Based on Skills – Inderscience Publishers
 11. Study and Analysis of Substitution Cipher – International Conference on AI & Data Science (2023)
 12. Comparative Analysis of ChatGPT and Google Bard – NATCOM Conference (2023)
 13. Local Sathi: A Voice Assisted Multilingual Rural People's Hyperlocal Job Search Platform – I3CSET Conference (2025)
-

PATENT PUBLICATIONS

1. Automated Machine Learning and Ontology Based Applicant Screening System for Job Recruitment
 2. Cloud Enabled Management System for Agriculture Integrating IoT Sensors and Computer Vision
 3. AI-Powered Blockchain Network Monitoring Device
 4. Full-Extract Road Membrane Air Purification System and Method
-

CERTIFICATIONS & FDPs

- FDP on Cyber Security and Cyber Forensic
- AICTE ATAL FDP on Data Sciences
- AICTE ATAL FDP on Artificial Intelligence
- FDP on Data Science using R
- FDP on Machine Learning using Python
- FDP on Data Analytics using Python
- FDP on Linux Administration in Engineering Education
- FDP on GenAI and Prompt Engineering using Microsoft Copilot
- FDP on Data Visualization Using Tableau
- NPTEL Certification – Compiler Design

TECHNICAL SKILLS

Research Areas

- Cryptography
- Network Security
- Cyber Security
- Artificial Intelligence
- Machine Learning
- Social Media Analytics

Subjects Taught

- Computer System Security
- Compiler Design
- Web Technology
- Cyber Security
- Cryptography and Network Security
- Digital and Social Media Marketing

Programming Languages

- C
- Core Java

Web Technologies

- HTML
- CSS
- JavaScript

PROJECTS

1. Feedback Analysis System in ASP.NET
 2. Retail Management in ASP.NET
 3. Audio Player in Java
 4. Digital Video Watermarking Based on Scene Change Detection
-

PERSONAL DETAILS

- **Date of Birth:** 10 February 1992
 - **Gender:** Female
 - **Father's Name:** Mr. Satya Prakash Singh
 - **Languages Known:** English, Hindi
 - **Hobbies:** Reading Books, Interacting with People, Internet Surfing, Travelling
-

DECLARATION

I hereby declare that the above information is true and correct to the best of my knowledge and belief.

Date: ____
